### Join our team!

Every year, the [Desertscape Int'l Film Festival](#) draws crowds to beautiful St. George, Utah. The four day event is packed with films, panels, Q&A's, luncheons and activities. It's a lot to do and we need your help.

Whether you're interested in film, or eager to get out of the house, volunteering at Desertscape is a fun way to network with industry professionals and become acquainted with the local creative community.
